**Subject:** Draft Forestry Riparian Issues Document  
**Attachments:** Draft-Forestry%20Riparian%20Issue%20-%20Mgmt%20Brief\_PL.EP.JW.AH[1].docx

Attached is the draft "Forestry Riparian Issues" document. It is my understanding that this will be discussed during Tuesday's meeting next week. I know it is long, but I wanted to make sure we have enough background information/data to ensure management has a good understanding of the issue. It may be necessary to develop a one - page bulleted summary document from this. We'll see.

Feel free to give me a call if you have questions.

Alan
